MEMORANDUM FOR: O 2004/12/21: CIA-RDP91M00696R000100090019-7
Approved For Release 2004/12/21

I told Bob this morning of your wish to have the question of releasing estimates and lists of estimates considered by [] committee. Bob is worried about [] charging off and trying to have the final word on estimates. He plans, at this point, to tell the committee of our decision not to release a list of projected estimates and see how [] reacts. He wants also ~~Frank~~, since our weekly status report is only secret, to ask the rest of the community not to give the SSCI our list. I accepted this as at least a first step. If you want Bob to do more, you or Pat should have a further conversation with Bob.
